

Post Malone

Quentin Miller

[Intro]

I told you... yeah
You can turn me up a little more?

[Chorus]

Yeah, I already told you on Choke, I already won
It wasn't even close, shit is over
Let you niggas pose, I just post up
Like Malone in the lone star
Need no help, no, we really don't need no help, yeah
Get it myself, had to get straight to myself, yeah
I got Nike on me right now, yeah
1-3-1-7, it's a lifestyle, yeah

[Verse 1]

Mix my drugs when I hit my drugs, yeah
Hit my plug when I get my drugs
If I'm on the drugs, I might hit you up, yeah
Yeah, depend on how I'm feeling, yeah
Just depend on if I'm hitting, yeah
Check your Snapchat, let me see your outfit
Trying to see about that mouth still
I just stepped up out the house like

[Chorus]

I already told you on Choke, I already won
It wasn't even close, shit is over
Let you niggas pose, I just post up
Like Malone in the lone star
Need no help, no, we really don't need no help, yeah
Get it myself, had to get straight to myself, yeah
I got Nike on me right now, yeah
1-3-1-7, it's a lifestyle, yeah

[Verse 2]

Take a Xan, pipe down, yeah
Yeah, take a perc, pipe down, yeah
Sip some syrup, pipe down, yeah
Now hit this router and boot up
I'm gonna do what I want

I'm gonna park out front
I'm gonna take that hit, just to stunt, just to stunt
Gas in Seattle 'cause it's legal, pass the blunt
Yall was cashing out, I pass you up, I pass you up, look

[Chorus]

I already told you on Choze, I already won
It wasn't even close, shit is over
Let you niggas pose, I just post up
Like Malone in the lone star
Need no help, no, we really don't need no help, yeah
Get it myself, had to get straight to myself, yeah
I got Nike on me right now
1-3-1-7, it's a lifestyle, man

[Outro]

It's a lifestyle, yeah
Yeah, I got Nike on me right now, yeah
Damn, all this Nike on me right now, yeah
1-3-1-7, hot
