

# Code Blue

## The-Dream

[Verse 1]

The closer I get to you  
The more I feel like crying  
The further I get from you  
The more I feel like dying

[Pre-Chorus]

You said you'll be  
Right here forever baby  
I know someday  
There's no forever baby  
I'm just looking for a little favour  
And you're just trying to save a little time  
Baby let me give you a piece of mine

[Chorus]

That's what I get for loving you, code blue  
That's what I get for loving you, code blue  
That's what I get for loving you, code blue  
That's what I get for loving you, code blue

[Verse 2]

Take whatever's left, baby  
If you go without your heart you will never know  
You, me  
As we walk into those doors  
In the shadows of the unknown

[Pre-Chorus 2]

I think of you daily  
Loving every day about you  
And I hope that you  
You love everything about me too  
But don't you leave like that  
Don't leave right here, oh no  
Stay with me just a couple minutes more

[Chorus]

That's what I get for loving you, code blue  
That's what I get for loving you, code blue

That's what I get for loving you, code blue  
That's what I get for loving you, code blue

That's what I get for loving you  
(That's what I get for loving you) code blue  
That's what I get for loving you  
(All I do, all I do) code blue  
That's what I give for loving you, code blue

[Outro]

That's what I get for love  
That's what I get for love  
That's what I get from you
