

Could You Love Me

Kygo & Dreamlab

I'm sorry
For all the stupid things I'm saying right now
I don't know
I guess I
Just need to love myself a little more before I love somebody else And I been praying to be a
better man for you
Oh, oh
I Hope I'm changing
I just wanna be a better man for you
For you, for you
Could you love me
With all my crazy?
Could you look past all the goodbyes, all the maybes?
Could you love me
With all my crazy?
Could you look past all the goodbyes, all the maybes?
Could you love me?
'Cause I'm crazy
Could you love me?
'Cause I'm crazy I'm sorry
For all the stupid things I'm doing right now
Yeah, I know
Well I know I
I'm acting out destroying everything I love
Like I can't help myself
And I been praying to be a better man for you
(Be a better man) Oh, oh Could you love me
With all my crazy?
Could you look past all the goodbyes, all the maybes?
Could you love me
With all my crazy?
Could you look past all the goodbyes, all the maybes? Could you love me?
'Cause I'm crazy
Could you love me?
'Cause I'm crazy Could you love me?
Could you love me?
