

# Live for the Night

## Krewella

[Hook: Jahan]

I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'  
I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'

[Drop: Jahan]

I live for the night

[Verse 1: Yasmine]

I ain't tryna holla, get that ink upon my collar  
Drink until it's nada  
Isn't whiskey? I don't bother  
My bitches ain't no dimes, they be motherfuckin' dollars  
So we stack our drinks up high, skyscrapin' 'til we taller

[Refrain: Yasmine]

Ring, ring, hit that up  
Show that universal love  
If you bleed that red blood, dance until you get enough  
Ring, ring, hit that up  
Show that universal love  
If you bleed that red blood, dance until you get enough

[Pre-Hook: Jahan]

I'ma do what I want, whatever  
I'ma rage 'til the dawn, all nighter  
Don't hold your breath  
You know I'll sleep when I am dead

[Hook: Jahan]

I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'  
I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'

[Drop: Jahan]  
I live for the night  
Free fallin'

[Verse 2: Yasmine]  
I'm the grim reaper  
When I'm blarin' out your speaker  
Killin' off the weaker, welcome to the final feature  
My head is in the clouds, you can say that I'm a dreamer  
But I bang it super loud, turn that bitch into a screamer

[Pre-Hook: Jahan]  
I'ma do what I want, whatever  
I'ma rage 'til the dawn, all nighter  
Don't hold your breath  
You know I'll sleep when I am dead

[Hook: Jahan]  
I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'  
I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'

I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'  
I live for the night  
I live for the lights  
I live for the high 'til I'm free fallin'

[Drop: Jahan]  
I live for the night
