

Let Down

Radiohead

Transport
Motorways and tramlines
Starting and then stopping
Taking off and landing The emptiest of feelings
Disappointed people
Clinging onto bottles
And when it comes it's so so disappointing Let down and hanging around
Crushed like a bug in the ground
Let down and hanging around Shell smashed, juices flowing
Wings twitch legs are going
Don't get sentimental
It always ends up driveling
One day I am gonna grow wings
A chemical reaction
Hysterical and useless
Hysterical and Let down and hanging around
Crushed like a bug in the ground
Let down and hanging around Let down and hanging
Let down
Let down You know, you know where you are with
You know where you are with
Floor collapsing, floating
Bouncing back and
One day I am gonna grow wings
A chemical reaction
(You know where you are)
Hysterical and useless
(You know where you are)
Hysterical and
(You know where you are)
Let down and hanging around
Crushed like a bug in the ground
Let down and hanging around
