

Cranky Mulatto

The Gourds

Gourds

Noble Creatures

Cranky Mulatto

Storm down in the gulf, how hard it's gonna blow

In the citronella candle glow it's a cranky mulatto

Opossum in the tree, devil in the leaves

Mouse done stole the cheese, dog done stole the fleas

Heaven's radio makes a sound like a brown banjo

Opossum sittin' in the limbs

Devil gonna wait for him
