

# New Perspective

## Panic! At the Disco

I feel the salty waves come in  
I feel them crash against my skin  
And I smile as I respire  
Because I know they'll never win  
There's a haze above my TV  
That changes everything I see  
And maybe if I continue watching  
I'll lose the traits that worry me  
Can we fast forward to go down on me?  
Stop there, and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
And who cares, divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea  
So catch me up, I'm getting out of here  
Taking everything for granted, but we still respect the time  
We move along with some new passion knowing everything is fine  
And I would wait and watch  
the hours fall in a hundred separate lines  
But I regain repose and wonder how I ended up inside  
Can we fast forward 'til you go down on  
me?  
Stop there, and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
And who cares, divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea  
So catch me up, I'm getting out of here  
Catch me up, I'm getting out of here  
More to the point, I need to show  
How much I can come and go  
Other plans fell through  
And put a heavy load on you  
I know there's no more that need be said  
When I'm inching through your bed  
Take a look around instead and watch me go, oh  
Stop there, and let me correct it  
I wanna live a life from a new perspective  
You come along because I love your face  
And I'll admire your expensive taste  
who cares, divine intervention  
I wanna be praised from a new perspective  
But leaving now would be a good idea

So catch me up, I'm getting out of here  
It's not fair, just let me perfect it  
Don't wanna live a life that is comprehensive  
'Cause seeing clear would be a bad idea  
Now catch me up, I'm getting out of here  
So catch me up, I'm getting out of here  
woah, woah, oh
