

Cool (feat. Roy English)

Alesso

I saw stars on the pavement
California dreams
Looked up through the bright lights
No stars did I see You said it's all yours if you take it there
I said I can't do it alone I swear
You said it's all yours
It's all yours When you smile It's only you (you)
Loves me like you do (do)
Tryna keep it cool (cool)
But I can't keep cool about it Acting like a fool (fool)
Wanna scream it from the roof (roof)
I'm tryna keep it cool (cool)
But I can't keep cool about it
And for your love I was lost
Drifting at sea
You were the beacon I followed home
You were the one who rescued me You said it's all yours if you take it there
I said I can't do it alone I swear
You said it's all yours
It's all yours When you smile It's only you (you)
Loves me like you do (do)
Tryna keep it cool (cool)
But I can't keep cool about it Acting like a fool (fool)
Wanna scream it from the roof (roof)
I'm tryna keep it cool (cool)
But I can't keep cool about it
You said
(Oooh-wooah)
I don't wanna lose your love
(Oh-woaah)
It's only you (you)
Loves me like you do (do)
Tryna keep it cool (cool)
But I can't keep cool about it
Acting like a fool (fool)
Wanna scream it from the roof (roof)
I'm tryna keep it cool (cool)
But I can't keep cool about it
