

Collect My Love (feat. Alex Newell)

The Knocks

feat. Alex Newell
Starlight we go blind,
Softly we fall without a doubt
I'll be on your side,
Just hold me, hold me, hold me down
It's all yours, I've been save it for you
Come collect all MY LOVE
'Cause there's no substitute
You know just what to do,
Come collect all MY LOVE
Come collect all MY LOVE
Sweetheart of firework
Shooting me straight for lost to found
I need you, yes I'm sure
Hold me, hold me, hold me down
It's all yours, I've been save it for you
Come collect all MY LOVE
'Cause there's no substitute
You know just what to do,
Come collect all MY LOVE
Come collect all MY LOVE
Baby baby uh, baby uh
Baby baby baby baby uh, baby
I said,
Baby baby uh, baby uh
Baby baby baby baby uh, baby
Hold me!
Starlight we go blind,
Softly we fall without a doubt
I'll be on your side,
Just hold me, hold me!
It's all yours, I've been save it for you
Come collect all MY LOVE
'Cause there's no substitute
You know just what to do,
Come collect all MY LOVE
Come collect all MY LOVE
