

# Do U Dirty

Kehlani

I, IUp for hours drinking  
Posted up, just reflecting on it  
And I know you won't believe me  
But babe, I'm cold and yeah, this life is cold  
I say swear you won't come near me  
Keep your heart 'cause I could fuck you up  
Or have you never thinking clearly  
Never thinking clearly  
Have you all up in your feelings  
Experienced, I did it times before  
And I can see you from a distance  
I could fuck you now and years later on  
You gon' be stuck, just reminiscing  
It's the way I ride you, let you stay inside  
Yeah, I'ma fuck you like a vixen  
There's something 'bout me (something about me)  
Swear you see the good in me, But  
That don't beat the hood in me, And  
I got my intentions and use  
Guess I'm make believe 'cause baby, I know, baby, I knowI, I'ma do you dirty  
Say you love me now, but baby, it's too early  
I, I'ma do you dirty  
You think you love me now, I think you should be worriedUp for days, been rolling  
Swear them bullets, don't regret the choices  
That I made 'cause I'm still growing  
Sign the deal and then they cut the check  
And ever since, my color's showing  
Change the scene, the things are better now  
And you know the wave is never slowing  
The wave is never slowing (The wave is never slowing)  
I know that you will miss me  
You liked it when I used to leave a wound  
And promise I would come and kiss it  
I fed you lies and you just ate 'em up  
And I don't care to do the dishes  
I ain't no wifey, ain't gon' hold you down  
It's way more fun to be the mistress  
I know I'm not like other bitches  
Swear you see the good in me, But  
That don't beat the hood in me, And  
I got my intentions and use  
Guess I'm make believe 'cause baby, I know, baby, I knowI, I'ma do you dirty

Say you love me now, but baby, it's too early  
I, I'ma do you dirty  
You think you love me now, I think you should be worried You want all my time but I don't got  
enough  
Baby, I can put it down but I can't put it up  
I got too much time to live, well I'm still way too young  
I'm still way too young, yeah  
I'ma do you dirty, I, I'ma do you dirty  
Say you love me now, but baby, it's too early  
I, I'ma do you dirty  
You think you love me now, I think you should be worried
