

# Out of the Woods

## Nickel Creek

I wish you out of the woods  
And into a picture with me  
I wish you over the moon  
Come out of the question and be

If this is going to  
Run around in my head  
I might as well be dreaming  
Run around in my head

I roller coaster for you  
Time out of mind must be heavenly  
It's all enchanted and wild  
It's just like my heart said  
It was going to be

If this is going to  
Run around in my head  
I might as well be dreaming  
Run around in my head

I wish you out of the woods  
And into the picture with me  
I wish you over the moon  
Come out of the question and be

If this is going to  
Run around in my head  
I might as well be dreaming  
Run around in my head
