So listen up Let it go

so let her go (La, la, la)  
If your girl wanna play, let her go  
Hey baby girl, what you doin' tonight?  
I wanna see what you got in store  
Hey baby, givin' it your all when you're dancin' on me  
I wanna see if you give me some more Hey baby, you can be my girl, I can be your man  
And we can pump this jam however you want  
Hey baby, pump it from the side, bend it upside down  
Or we can pump it from the back to the front Hey baby  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la  
Ooh baby, baby, la, la, la, la, la, la, la Ooh, drop it to the floor, make you wanna say it  
Yeah, you can shake some more, make you wanna sing it  
Ooh, you got it because you make me wanna say, hey baby

Don't hate the game, that won't solve 'em  
I wanna get wit' ya, mami  
Now let me see where the lord split ya Hey baby girl, what you doin' tonight?  
I wanna see what you got in store  
Hey baby, givin' it you all when you're dancin' on me  
I wanna see if you can give me some more Hey baby, you can be my girl I can be your man  
And we can pump this jam however you want  
Hey baby, pump it from the side bend it upside down  
Or we can pump it from the back to the front Hey baby  
Ooh baby, baby, la, la, la, la, la, la, la

If you scared of money, don't make money  
That's how it goes in the street, baby But enough about the nonsense  
Baby girl, take a shock to your conscious  
Not a goon or a goblin, I'm a monster  
'Cause I hit all the baddest women in the world, gangster Ooh baby, baby, la, la, la, la, la, la
