

# If I Knew Then

## Lady Antebellum

The first time that I saw you  
Looking like you did  
We were young  
We were restless  
Just two clueless kids  
But if I knew then  
What I know now  
I'd fall in love You're on a bus in chicago  
Three rows to the left  
You know my heart  
Is reaching for you  
But we never even met  
If I knew then  
What I know now  
I'd fall in love  
'cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
And takes every breath  
Leaves every scar  
Speaks through your soul  
And sings to your heart  
But if I knew then  
What I know now  
I'd fall in love On a summer night  
In august  
Backseat of my car  
Said I'm trying to get  
To know you  
I took it way to far  
But if I knew then  
What I know now  
I'd fall in love  
(wooaahh)  
'cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
And takes every breath  
Leaves every scar  
Speaks through your soul

And sings to your heart  
But if I knew then  
What I know now  
I'd fall in love(woah)  
I used up  
A lot of chances  
But you give them back  
But if again  
It comes crawling  
Im gonna make it last'cause love only comes  
Once in a while  
And knocks on your door  
And throws you a smile  
It takes every breath  
Leaves every scar  
Speaks through your soul  
And sings to your heart  
But if I knew then  
What I know now(woah)  
If I knew then  
What I know now I'd fall in love
