

# The Last Song of Your Life

P!nk

[Verse 1]

If you had one song left inside your soul  
What would you sing tonight?  
If you had one chance left before we're old  
The last song of your life  
What is it you wait for? Tell me who you are  
Not what you've rehearsed, all the other parts

[Verse 2]

It is of no interest at all to me  
What you have or who you know  
Can you tell me just where you have been?  
And what you've learned from it all  
Tell me what you dance for  
How you've been a fool  
I don't want the headlines, I just want the truth

[Chorus]

It would be so good to see the real you again  
It's been a long time, my friend  
If this is the last song of your life  
Then I'm inviting you to get it right

[Verse 3]

When you're authentic, you're incredible  
I like the view behind your eyes  
There was no one else who could break it down  
And cut right through to the heart  
I just wanna lie underneath this tree  
While you whisper secrets on a melody

[Chorus]

It would be so good to see the real you again  
It's been a long time, my friend  
If this is the last song of your life

Then I'm inviting you to get it right
