**Randy Newman**

No one likes us, I don't know why  
We may not be perfect, but heaven knows we try  
But all around even our old friends put us down  
Let's drop the big one and see what happens We give them money, but are they grateful?  
No, they're spiteful and they're hateful  
They don't respect us, so let's surprise them  
We'll drop the big one and pulverize them Asia's crowded and Europe's too old  
Africa is far too hot and Canada's too cold  
And South America stole our name  
Let's drop the big one  
There'll be no one left to blame us  
We'll save Australia  
Don't wanna hurt no kangaroo  
We'll build an All American amusement park there  
They got surfin too  
Boom goes London and boom Paris  
More room for you and more room for me  
And every city the whole world round  
Will just be another American town  
Oh how peaceful it will be  
We'll set everybody free  
You'll wear a Japanese kimono  
And there'll be Italian shoes for me They all hate us anyhow  
So let's drop the big one now  
Let's drop the big one now
