

Small Town Boy (Stripped)

Dustin Lynch

I'm a dirt road, in the headlights.
I'm a mama's boy, I'm a fist fight.
Kinda county line, kinda cold beer.
Little hat down, little John Deere.
I kinda give a damn, I kinda don't care.
You see that girl standin' right there.
She loves a small town boy like me. She's my ride or die baby, she's my cool, she's my crazy.
She's my laid back in the front seat.
She's my with me to the end girl.
I'll turn it up to ten girl.
She can have anybody that she wants to be anywhere she wants to be.
She loves a small town boy like me.
She likes my T-shirt, she likes my old boots.
Likes to slow dance to some old school.
She'll take a full moon over those city nights.
I ain't scared to get all up in those bright lights. Yeah I can smooth it out.
I can stick it up.
I guess that's why she can't get enough.
Of a small town boy like me.
She's my ride or die baby, she's my cool, she's my crazy. She's my laid back in the front seat.
She's my with me to the end girl.
I'll turn it up to ten girl.
She can have anybody that she wants to be anywhere she wants to be. She loves a small town
boy like me.
She loves a small town boy like me.
Yeah, I'm her sure thing, I'm her go to, I'm her rockstar.
She ain't gon' ever lose.
Small town boy like me.
I'm her ride or die baby, I'm her cool, I'm her crazy.
I'm her laid back in the front seat.
I'm so with you till the end girl.
Let's turn it up to ten girl.
She can have anybody that she wants to be anywhere she wants to be. She loves a small town
boy like me.
She's my ride or die baby, she's my cool, she's my crazy.
She's my laid back in the front seat.
She's my with me to the end girl. I'll turn it up to ten girl.
She can have anybody that she wants to be anywhere she wants to be.
She loves a small town boy like me.
She loves a small town boy like me.
Yeah, she loves a small town boy like me.
