

# How I Want Ya (feat. Hailee Steinfeld)

Hudson Thames

All you want  
All you need  
I could be your anything Tell me girl what you need Honest eyes, no disguise  
You know where I'll be tonight  
Tell me girl what you need 'Cause I'll be waiting for you  
Trying just to get through  
Tell me what to do  
Just tell me what to do And I've been up the whole night  
Trying to get my head right  
No matter what I do  
All I want is you  
Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling What's the play in this game  
Tell me if you feel the same  
Do you care either way You can't fight what feels right  
I can see it in your eyes  
Say what you want to say 'Cause I'll be waiting for you  
Trying just to get through  
Tell me what to do  
Just tell me what to do  
And I've been up the whole night  
Trying to get my head right  
No matter what I do  
All I want is you Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling (Darling, darling, darling, darling)  
All I want is you  
Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling  
Oh how I want ya  
Oh how I need ya darling

Oh how I want ya  
Oh how I need ya darling  
How I, how I want ya  
How I, how I need ya  
How I, how I want ya  
How I, how I need ya
