

Where You Belong

Kari Kimmel

[Verse 1]

If you're feeling down or weak
You can always count on me
I will always pick you up
Nothing's ever gonna change
Nothing's gettin' in my way
I will always hold you up

[Refrain]

Anything
Come what may
Don't look back forget yesterday
Forget yesterday
It's not where you come from
It's where you belong
Nothin' I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong

[Verse 2]

I know sometimes you're feeling lost
It's hard to find your place in it all
But you don't have to fear
Even when you mess up
You always got my love
I'm always right here
Oh 'cause

[Refrain]

Anything
Come what may
Don't look back forget yesterday
Forget yesterday
It's not where you come from
It's where you belong
Nothin' I would trade

I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong

Oooo (oooo)
Oooo (oooo)
Don't matter where you've been
Oooo (oooo)
Oooo (ooo)
You're here for a reason
Oooo (oooo)
Nooooo

It's not where you come from
It's where you belong
Nothin' I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong
