## Eric Church

[Chorus]

Hung over and hard up

[Verse 1]

Broken down and messed up  
I never saw your leaving coming' but  
I sure felt it when ya left  
Memory button stuck on repeat  
Mind skipping' like a record machine  
Over and over that goodbye scene  
Keeps spinning' in my head  
It keeps haunting me  
And there ain't no maybe about it  
The hurt keeps calling me  
Come on out we got you surrounded  
Yeah the bottle in my hand is loaded and  
I ain't afraid to use it tonight

[Chorus]

Hung over and hard up

[Verse 2]

Pain hurts, whiskey's tough  
And too much ain't ever enough  
To break through your space  
Living' in a lost and found  
Round and round, up and down  
I'm tired of this seesaw, merry-go-round  
So merry you can go to hell  
All I want to do  
Is just get on down the highway  
And I'll be there as soon as  
I get on out of my way  
Yeah the truth is like a hangman's noose  
And it's holding' up my heart tonight

[Chorus]

Hung over and hard up

[Verse 3]

I tried it all, well now what?  
I've given everything but up  
And up's going down the drain  
Just when I thought the coast was clear  
You're clouding' up my atmosphere  
That morning' sun's waiting' there when I wake up  
Hung over and hard up
