[Verse 1]

Freak, freak, freak on the low
TLC, I'm creepin' on the sheets with your ho
He peeked, peeked, peeked at my throat
Bet he wanna know how deep I can go
Pull it out, let me lick on it first
He wanna pull it out, got my tit out my shirt
Now you pullin' out the freak in me, I ain't tryna flirt
Baby, pull it out, wanna let you see how it squirt
I call him daddy 'cause he call me Baby Tate
Freaky girl, yeh, that's my AKA
I get on top of it and ride it like a horse
He got a lot of dick, I'm slobbin' 'til I'm hoarse
I'ma make him moan when I put it on him
D so strong every time we bonin'
He can see it from the back 'cause it's pokin'
I'ma let him beat it from the back when he strokin', oh shit

[Chorus]

I don't really wanna meet your mama
I just wanna make you cum-a
Gimme Z, boy, don't give me drama
I'm a freak, uh, baby, I'm a
Very freaky, very freaky girl

Very freaky, very freaky, very freaky girl, uh
Very freaky, very freaky girl
Very freaky, very freaky, very freaky girl, uh

[Verse 2]

Freak shit, I let him hit it all night
Long wig, pull it, boy, it's real tight
Yo kids, you can put 'em in my mouth
No kids, I told you, baby, pull it out
'Cause I'm a very, very freaky girl and you know that
(Baby boy, you know that)
And if I let you in it, won't be able back
(Won't be able to hold back)
'Cause I'ma be the one to do you in
I heard you got a baby on the way, I'll make you do it all again
Tell me, are you gonna sink or swim?
In my ocean, rub that nut all over me like lotion
Yeah, they be callin' me Baby, but I don't keep it PG
Out in the streets I'm a lady, but in the sheets I'm a freak
Body drivin' him crazy, I got a sickenin' physique
Rode him for seven days, now he call me SWV, he weak

[Chorus]

I don't really wanna meet your mama
I just wanna make you cum-a
Gimme Z, boy, don't give me drama
I'm a freak, uh, baby, I'm a
Very freaky, very freaky girl
Very freaky, very freaky, very freaky girl, uh
Very freaky, very freaky girl
Very freaky, very freaky, very freaky girl, uh

[Outro]

Mouth full of big nuts like a chipmunk
Squirtin' on him like a gas pump, I'ma fill him up
Said he want a freak chick, I was born in '96
And I'm from Atlanta, baby, you can call me Freaknik
Got some real good coochie
Make him wanna hit it raw like sushi
Make him chase me 'round the world like a groupie
