

# Country Love

## The Gourds

Wake Up, we're going to the country  
We're going to the country and we'll do it right  
Cook up some sweet potatoes and tomorrow night  
We'll watch the stars dancing with the satellite

That's right, we're going to the country

Yer country loving gets me off all right  
Yer country loving is complete  
Yer country loving gets me off all right  
Yer country loving is so sweet

Wake Up, wake up we're in the country
