

# Souls

## Illenium

[Verse 1]

Flame still burns, kerosene  
Rise and fall as I breathe  
All these pictures on the screen  
It's almost like they're real  
And I think that I'd do anything  
If it meant I didn't feel what I feel

[Pre-Chorus]

And I feel way too much  
Truth is no one gives a fuck

[Chorus]

That's why I don't try  
That's why I stay high  
I know that you're never gonna hear me  
I know that these words'll go to waste  
That's why I don't try, yeah

[Drop]

That's why

[Verse 2]

Tried my best, door's still closed  
Love is deaf for all I know  
Sometimes it gets so hard (Hard)  
And I don't wanna fight (Fight)  
And every day that passes by (By)  
Feels like it might be my last

[Pre-Chorus]

And I feel way too much  
Truth is no one gives a fuck

[Chorus]

That's why I don't try  
That's why I stay high  
I know that you're never gonna hear me  
I know that these words'll go to waste

That's why I don't try, yeah

[Drop]

That's why I don't try  
That's why I stay high

[Chorus]

That's why (Ooh) I don't try  
That's why I stay high  
I know that you're never gonna hear me  
I know that these words'll go to waste  
That's why I don't try, yeah

[Drop]

That's why I don't try  
That's why I stay high
