

All I Want to Do

Sugarland

[Verse 1]

I don't want to get up, baby lets turn off the phone
I don't want to go to work today or even put my make-up on
I got better things to do than my to-do list anyway
Hide under the covers and waste away the day
Let's just lay here and be lazy, baby, drive me crazy

[Chorus]

All I want to do
All I want to do..... is love you

[Verse 2]

I got my whole life to change the world and climb the ladders
Looking at you looking at me is the only thing that matters
Come a little closer baby, we can talk without words
Hang a sign on the door, "Please do not disturb"
Let's just lay here and be lazy, baby, drive me crazy

[Chorus]

All I want to do
All I want to do..... is love you

[Verse 3]

Give me a kiss, from that Elvis lip
You don't want to miss this

[Chorus]

All I want to do.....
All I want to do..... is love you

[Bridge]

All I really want to do is
All I really want to do is
All I really want to do is love you and love you and love you
Come a little closer baby we can talk without words
Hang a sign on the door
"Please do not, please do not, please do not, please do not disturb"

[Outro]

When I lay down in the evening

All I really want to do is
When I wake up when I wake up in the morning baby
All I really want to do is
Ooo.....
Ooo.....
