

Shortline (Thomas Jack Remix)

Thomas Jack & RY X

Rushing water
One keeps to corner
Turn cheeks and shout out
On a short line
Women willing
Undress your heart-string
Follow your thick thin boy
On a shortline
Lets run to shelter
From Violence, for us that haven't
Hold our tounge and fill our lungs On a shortline, on a shortline
On a shortline, on a shortline
On a shortline, on a shortline
