

# Lost More Than I Found (feat. Lainey Edwards)

Kane Brown

Driving down back roads, skippin' down traffic  
And flippin' thru the radio, all I get is static  
I don't mind the quiet, I guess I kind of like it  
Better than nothing at all, than the sound of us cryin'  
You said you didnt mean it but it's still in  
my head  
I learned it's no easier, to forgive and forget  
We thought it was forever, look at us now  
Well I tried, and I lost more than I found  
Sitting by the window, waiting for your headlights  
Been two damn days since you said goodbye  
I was feeling lonely, feeling like I made a mistake  
Though I never I'd never forgive myself for your heart break  
I said I didn't mean it but it's still in your head  
I've learned it's no easier, to forgive and forget  
We thought it was forever, look at us now  
Well I tried, and I lost more than I found  
Baby, you can't explain  
No don't say anything  
No, it's too late  
You said you didn't mean it  
I said I didn't mean it  
I learned it's no easier, to forgive and forget  
We thought it was forever, look at us now  
Well I tried  
And I lost  
Well I tried and I lost more than I found
