

# Taste

## Josh Abbott Band

Well it's late tonight  
And I see the look in your eyes  
They lighten you up like a burning fire full of desire  
And I touch your face  
And you move with grace  
And our lips collide in a burning ride with a warm embrace

Cause I wanna taste your skin  
And I wanna be let in  
I wanna hold you, and feel you  
Like you've never been  
And I wanna touch you there  
I wanna kiss you here  
And maybe, by the sunrise, we'll both come to our senses

Well I close my eyes  
But I open my heart  
As the heat of the moment slowly tears our clothes apart  
And we begin to move  
And I slowly surrender to the beauty and seduction  
That embodies you

Cause I wanna taste your skin  
And I wanna be let in  
I wanna hold you, and feel you  
Like you've never been  
And I wanna touch you there  
I wanna kiss you here  
And maybe, by the sunrise, we'll both come to our senses

Cause I wanna taste your skin  
And I wanna be let in  
I wanna hold you, and feel you  
Like you've never been  
And I wanna touch you there  
I wanna kiss you here  
And maybe, by the sunrise, we'll both come oh to our senses

Oh baby

I said maybe, by the sunrise, we'll both come to our senses
