## Miley Cyrus

I can pretend that I don't see you  
I can pretend I don't wanna hold you  
When you're around, when you're around I can say that nothing was right  
But we know if I looked in your eyes  
I'd break down, yeah, let's break down If I could for just one night  
To be with you, to make it right  
And what we were and what we are  
It's hidden in the scars If I could, take you there  
I won't let go, this I swear  
You won't have to wonder what we are  
'Cause you won't have to ever look too far  
It's in the scars, it's hidden in the scars  
If I told you that I love you  
But I'm doing alright without you  
It'd be a lie but I could try I'd run a thousand miles, believe me  
You're the only one, I want you breathing  
To break down, yeah, let's break down If I could, for just one night  
To be with you, to make it right  
And what we were and what we are  
It's hidden in the scars If I could, take you there  
I won't let go, this I swear  
You won't have to wonder what we are  
'Cause you won't have to ever look too far  
It's in the scars  
Yeah, I'll tell you all my secrets  
All the ones I've kept inside  
And I'll give you all the reasons  
That you faded from my life I will learn to go  
Baby, come here close  
I will let you up away If I could for just one night  
To be with you, to make it right  
And what we were and what we are  
It's hidden in the scars  
If I could, take you there  
I won't let go, baby, this I swear  
You won't have to wonder what we are  
'Cause you won't have to ever look too far  
It's in the scars, it's hidden in the scars  
It's hidden in the scars  
Yeah, yeah, yeah  
I can pretend that I don't see you  
And I can pretend I don't wanna hold you
