

# The Best Part (Interlude)

**Meghan Trainor**

I got a heart full of rhythm that beats with no pain  
I got a head full of melody stuck in my brain  
But the best part of being a singer at all is  
Singing to the world my songs  
I said singing to the world my songs  
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
