

Notice Me

Kari Kimmel

Pour another glass of wine
Find a way to escape what shouldn't be different today
Talk myself to sleep and I'll make up the truth
Yeah, I'll tell myself that you
You're just a little tired and you don't really mean it
You still love me

I would say anything
To get you to notice me, notice me
I would say anything
To get you to notice me
Notice me, yeah, yeah, yeah

Are you tryin' to punish me?
For your many mistakes
Of pasts that you wish you could change
Tell me that I'm wrong
That all the things that you said
That you never meant it, no
Everything is better and I don't have to worry anymore

'Cause I would say anything
To get you to notice me, notice me
I would say anything
To get you to notice me
Notice me oh, yeah, oh yeah, yeah, yeah, yeah
Oh oh oh oh, yeah, yeah, yeah, oh oh oh

Yeah, 'cause all I ever really want to do is make you happy
Can't you see?

I would say anything
If you would notice me, notice me
I would say anything
To get you to notice me, yeah yeah
I would say, I would do anything
If you would notice me, notice me
Yeah yeah yeah yeah
I would say anything
Notice me

Yeah, yeah
