Promised You a Miracle

Simple Minds

Promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wondering

Chance as love takes a train
Summer breeze and brilliant light
Only love she sees, he controls on love
Love sails to a new life

Promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wondering

Only love she sees, he controls on love Life mirrors a cure, everything is possible With promises, everything is possible No

I promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wondering

Chance reflects on them a while
Love screams so quietly
Slipping back on golden times
Breathing with sweet memories

Promised you a miracle
Belief is a beauty thing
Promises, promises
As golden days break wondering

Only love she sees, he controls on love Life mirrors a cure, everything is possible In the game of life, everything is possible Chance lost pearls of great price
Take care of family
Only aches for love, love waits for fame
In chance, in chance they'll see

I promised you a miracle
Oh, belief is a beauty thing
Promises, promises
As golden days break wondering

Only love she sees, he controls on love Life throws a cure, everything is possible In the game of life, a burning dream You can be Queen, everything is possible
