

# Speed of Love

## Florida Georgia Line

It was clear I had to meet her  
From the first time she walked by  
See the second that I seen her  
Knew I had to make her mine  
And just a game of pool  
A little shot on a stool  
And I already had her digits  
Get down to business  
Ain't no sense in wastin' time  
Feels like we flyin' down the highway  
Spinnin' out sideways  
Hundred miles and out we go  
Top down fastback  
NASCAR short track  
Burnin' rubber down the road  
When we talkin', then we touchin'  
Then we kissin' in a hurry  
Yeah we're kickin' up a cloud of dust  
'Cause girl we're movin'  
Movin' at the speed of love  
(That's right)  
Yeah this story's real  
As the orange peel  
Left on the barroom floor  
We meant every word  
Of that don't disturb  
Hangin' on that hotel door  
'Cause we was makin' out  
And we was knockin' boots  
And it was just last night  
We was introduced  
I guess time flies  
When you're movin' at the speed of love  
Feels like we flyin' down the highway  
Spinnin' out sideways  
Hundred miles and out we go  
Top down fastback  
NASCAR short track  
Burnin' rubber down the road  
When we talkin', then we touchin'  
Then we kissin' in a hurry  
Yeah we're kickin' up a cloud of dust  
'Cause girl we're movin'

Movin' at the speed of love Yeah we got off tour  
And I ran to the store  
Just to check out a diamond ring  
Got a girl, she gorgeous  
Yeah that's who this is for  
And it's only been a couple weeks Feels like we flyin' down the highway  
Spinnin' out sideways  
Hundred miles and out we go  
Top down fastback  
NASCAR short track  
Burnin' rubber down the road  
When we talkin', then we touchin'  
Then we kissin' in a hurry  
Yeah we're kickin' up a cloud of dust  
'Cause girl we're movin'  
Movin' at the speed of love We can't stop movin'  
Movin' at the speed of love  
(That's right)(Come on now, keep up)
