

When It Comes to You

John Anderson

If we can't get along
We ought to be apart
And I'm wondering where'd you
Get that cold cold heart

Set me free
Sign my release
I'm tired of being a
Villian of the peace

You've been giving me bad times
Tell me what'd I do
How come I always get a hard time
Honey, when it comes to you
Saying things that you didn't have to
How come I always get a hard time
Honey when it comes to you

You only get one life
And this I know
I want to get my licks
In now before I go

Fire of love
Is dead and cold
I got to satisfy
The hunger in my soul

You been giving me bad times
Tell me what'd I do
How come I always get a hard time
Honey when it comes to you
Saying things that you didn't have to

If we can't get along
We ought to be a part
And I'm wondering where'd you
Get that cold cold heart

Set me free

Sign my release
I'm tired of being a
Villian of the peace

You been giving me bad times
Tell me what'd I do
How come I always get a hard time
Honey when it comes to you
Saying things that you didn't have to
How come I always get a hard time
Honey when it comes to you
How come I always get a hard time
Honey when it comes to you
