

# The Adventures of Rain Dance Maggie

## Red Hot Chili Peppers

[Verse 1]

Lipstick junkie  
Debunk the all in one  
She came back wearing a smile  
Looking like someone drugged me  
That wanted to unplug me  
No one in here is on trial  
Its just a turn-around  
And we go, oh  
Well and we go, oh, oh, oh, oh

[Verse 2]

Tic-toc, I want to  
Rock you like the '80s  
Cock-blocking isn't allowed  
Tugboat Shiela is into memorabilia  
Who said three is a crowd?  
We better get it on the go

[Chorus 1]

Hey, now  
We've got to make it rain somehow  
She told me to  
And showed me what to do  
Our Maggie makes it in a cloud

[Chorus 2]

I said hey, now  
We've got to make it rain somehow  
She told me to  
And showed me what to do  
She knows how to make it loud

[Verse 3]

Rain dance Maggie advances to the final  
Who knew that she had the goods?  
Little did I know  
Her body was warm delicious vinyl  
To your neck of the woods

I want to lick a little bit

[Chorus 1]

Hey, now  
We've got to make it rain somehow  
She told me to  
And showed me what to do  
Our Maggie makes it in a cloud

[Bridge]

You got the wrong girl  
But not for long, girl  
It's in the song, girl  
'Cause I'll be gone, girl

[Chorus 1]

Hey, now  
We've got to make it rain somehow  
She told me to  
And showed me what to do  
Our Maggie makes it in a cloud

[Chorus 3]

I said hey, now  
I want to rock this rowdy crowd  
She told me to  
And showed me what to do  
She knows how to make it loud

[Outro]

But not for long, girl  
It's in the song, girl  
'Cause I'll be gone, bye, bye, bye, yeah  
Bye bye, bye, girl  
Bye bye, girl  
Bye bye, girl  
Bye bye
