

Just Another Day

Lady Gaga

Yeah, man
Play that New York drum, Homer
Show 'em how we do it
Downtown Just another way to prove
I love you, when it's hard today
I'll lay back in my chair and find a way
And when you say that thing that you say
That makes me mad, I'll turn away
I'll turn away, I'll turn away And think of different ways to keep my spirits up
And choreograph hours with playful joyish thoughts
We both know I could learn a thing or two
About relaxing, hey, I love you
And after all, it's just another day Oh, I could use some two or three
Or other kind of ways to be
But today I won't be so hard on me
I'll walk alone down a different street
And smile at all the new strange I meet And pick up unique style
I'll kick around today
And create simple thoughts
I'll laugh in humble ways We both know I could learn a thing or two
About behaving, but I love you
And after all, it's just another day Come on, Mark!
Ladies and gentlemen, Brian Newman
We both know I could learn a thing or two
About behaving, but I love you
And after all, it's just another day And after all, it's just another day
