

# Arrival

## Alfred Banks

Verse 1:

(oooooh) I tried to show em that/

I'm greatest alive They didn't know it/

So I swallowed my pride I went and told em/

They saw the look in my eyes that I was focused/

That's the reason that I know where I'm going/

(Unh) My people excited/

I'm looking at tomorrow I ain't near sighted/

Underdogcentral, You need to recite it/

And if u can't then call it math cuz we gonna have a problem/

I'm from the city of the New Orleans you know where to find me/

Uptown to be exact I got my fam behind me/

Outsiders hang around cuz my future shiny/

But if you ever fall off, that's when they all haul off/

So I'm working hard hard & I tread lightly/

Cuz these my favorite nikes and they were kinda pricey/

That's why the people like me (aye) I'm Always in go mode/

Gotta S on my chest like the Skype logo/

HOOK: Pull up, Pull Up Pull uuuuuuup (X4)

V2 Now I remember being broke and down bad/  
Now I pay zero for my sneakers cuz I'm Al/  
I fall thru to cop some shoes but first I gotta try em/  
They say you like em you can take em and don't you dare buy em/  
And I'm like (Woo) - What Ima turn that down?/  
My music they turn up, they never turn that down/  
They yelling out my name oh yea they rep that proud/  
They come to my shows deep, they know I put it down/  
This is true (Woo) Ima savage (Yeah)/  
Power circle, I'm on another tangent/  
They wonder how I do it while staying the same guy/  
They tryna figure out the wave and I'm just saying hi/  
A lot of people talk about the way I do what I do/  
I see the envy so they love to see what you going thru/  
But I ain't hearing what you say if you ain't matching my moves/  
And if you think you do it better, I got two words for you/
