

Morning

Teyana Taylor & Kehlani

I ain't here to play no games
I'm gonna give it to you just how you want it
You can call me crazy, baby You just drive me crazy when you touch on it
Got my legs up, hands up, at attention
You make me stand up and switch up on it
Make your head go 'round and round it
Got me makin' sounds until the morning I be screamin', oh oh oh, oh oh oh, oh oh, on you
Got me saying oh oh oh, oh oh oh, oh oh, on you
Got me saying yeah
Damn Ain't no limit what I'm pullin' when I fuck on you, babe, oh no
Talk that shit, play with that clit and watch it rain on you, baby
Funny how you thought I tapped out when we was fuckin'
We're just gettin' started, oh-whoa
Hit it, quit it
Feel that shit, get it
Lick it, fuck it, feel it
Touch it, ooh (Oh)
Titties in your mouth
With your tongue all out
Whoa-oh I ain't here to play no games
I'm gonna give it to you just how you want it
You can call me crazy, baby
You just drive me crazy when you touch on it
Got my legs up, hands up, at attention
You make me stand up and switch up on it
Make your head go 'round and round it
Got me makin' sounds until the morning I be screamin', oh oh oh, oh oh oh, oh oh, on you
Got me saying oh oh oh, oh oh oh, oh oh, on you
Got me saying yeah
Tryna see if it feel what it look like
Been had a urge that I can't fight
It's a lot of time in one night
And I'm a lil bark but I'm all bite Tryna eat you, then I'm tryna kiss you
'Cause I know you freaky and you wanna taste you
Yeah, I fuckin' feel you
Mean I feel you fuckin'
Shit, I feel you comin'
Ain't gon' be no runnin', oh
I'm 5 ft 5, I can handle it
You 5'5 fine, you scandalous
You ain't gotta be mine to do all this
Just gotta make time with you that bitch

So I'ma keep it real with ya, real with ya, real with ya
I'm tryna experience-perience-perience
Gotta take me serious, serious, serious
Oh noI ain't here to play no games
I'm gonna give it to you just how you want it
You can call me crazy, baby
You just drive me crazy when you touch on it
Got my legs up, hands up, at attention
You make me stand up and switch up on it
Make your head go 'round and round it
Got me makin' sounds until the morning
