

Skitzo

Jarren Benton

Yea, Im throwing Ds on the Cadillac
Riding through Decatur, nigga, bumping verb zaccarat
You a fucking liar faggot never slung a crumb of crack
Bash your fucking window and I drag out your Pontiac
Tell your mom the zombies back
Fucking hypochondriac
Gag a bitch and shove her in the dryer at the laundry-mat
Cokehead insomniac, sipping on some Cognac
Dude this fucking album sucks, I want my fucking money back
Disadvantage, Im schizophrenic, these bitches panic
Dickin' Janice, Im popping Xanax and speaking Spanish
Na la cum la la cum pla, I aint say a word
A fucking nerd, Im riding dirty with the Mossberg
I am awkward, Im sipping cough syrup
Im high as a martian in a flying saucer
What up to 808 Blake and Mike Whalberg
I punch through the sheet rock and make the wall hurt
Teen wolf, I claw a dress and panties off her
Just got a new Lebaron and the seats is all fur
My brain's fried, hearts gone and my balls hurt
I grab the nine to forty-five and let em all squirt
Mr. Benton, bitches say they sick of him
Im up at Micky Ds, I get an English McMuffin
You hang around all pigs like you McLovin
I shove a freakin prick inside a fucking brick oven
You niggas fake like mall cop, Paul Blart
I run you over with the shopping cart in Wal-Mart
Hop out the Subaru, huffing a tube of glue
Your girl ring around my dick just like a hula hoop
Manuever through the city in a bullet proof suit
Im strong enough to rip a fucking roof up off a coupe
You wanna play Tupac
I throw you off the roof and run down and catch you
Tell these niggas Jarren that got the juice
Somebody call the doctor, Dr. Suess or Dr. Roof
Im so out of my fucking rocker any fucking doc will do
I let the choppers loose and then I smoke a rock or two
And spend a hundred grand on a one-legged prostitute
Yea Im going hard nigga, honey baked
Big said more money, more niggas hate
I blow a couple recs, just took an eighth of coke
Now let me show you what it means to be skitzo
Doctor call Brad Murray, Bitch Im known to

kill mics

I meet you in your nightmares, and bash you with a steel pipe
Somebody must have laced this heroin cause I dont feel right
Just bought my wife a set of Martha Stewart stainless steel knives

Hey, Im fucking talking to you dickhead!

Jarren, he's dead he cannot hear you, idiot

Roaming every city strips and grabbing every pretty tits

Y'all niggas playing hookie, Mister Benton's really sick

Leave it to Beaver, Im leaving with Beiber

With this meat cleaver to his neck

And Im making him eat ether

Kick a bitch in the face cause shes a dick teaser

Did a song with Satan and thats a sick feature

Im not a human being, Im a sick creature

Run in every church to murder every sick preacher

Stomping a nigga to a seizure, smoking every spliff of reefer

A bully throwing geeks off the top bleacher

Fucking skitzo, eat the barrel of pistols

I can shit a hand grenade and piss out a missile

Lets play Operation, I want to see blood drizzle

Lets make it real official, this saw will cut through a gristle

Im so extraordinary sleep inside the mortuary

Wake inside the cemetery, dig up every corpse thats buried

This is so unnecessary, voices in my head, thats scary

Sick of being crazy, God I want to be ordinary!

Yea Im going hard nigga, honey baked

Big said more money, more niggas hate

I blow a couple recs, just took an eighth of coke

Now let me show you what it means to be a skitzo

Yo Jarren, Jarren wake up dog

Come on, yo wake the fuck up man, come on

Come on, Yo Kato, Kato call 911

Man I think this fucker overdosed

Get up man, come on, come on!Yo Jarren, Jarren yo stop stop stop chill!

Yo, youre just slappin, youre talking to yourself right now, man.

Im trying to study for this midterm, fuckin schitzo.
