

# Vacation

Thomas Rhett

My girl is rocking that Billabong bikini like she's sponsored  
Asking me if I can rub that Coppertone on her  
Got a couple bucks but I'm spending them like they pesos  
Might be Motel Sixing but it feels like Turks and Caicos  
Put a little liquor in my coconut water  
Party all day like you at your alma mater  
Put a little liquor in my coconut water  
Ice has started melting cause it's always getting hotter  
Singing hey, let's party like we on vacation  
Hey, let's party like we on vacation  
I got my toes up in the sand  
Cold one in my hand  
Toes up in the sand  
Cold one in my hand  
Singing hey, let's party like we on vacation  
I got my Solo Cup amplifier, playing all my jams  
And my Walgreens beach chair working on my tan  
This like it's Jamaica and I'm sipping on some Red Stripe  
But I'm in Decatur, baby, crushing on that Busch light  
Hey, let's party like we on vacation  
Hey, let's party like we on vacation  
(I got, I got, I got)  
Toes up in the sand  
Cold one in my hand  
Toes up in the sand  
Cold one in my hand  
Singing hey, let's party like we on vacation  
Put a little liquor in my coconut water  
Party all day like you at your alma mater  
Put a little liquor in my coconut water  
Ice has started melting so I'll take another swallow  
Singing hey, let's party like we on vacation  
Hey, let's party like we on vacation  
You know I got my toes up in the sand  
Cold one in my hand  
Toes up in the sand  
Cold one in my hand  
Singing hey, let's party like we on vacation  
(Oh-oh-oh, oh-oh-oh-oh)  
Party like I'm on vacation  
(Oh-oh-oh, oh-oh-oh-oh)  
Party like I'm on vacation  
(Oh-oh-oh, oh-oh-oh-oh)  
Party like I'm on vacation  
(Oh-oh-oh, oh-oh-oh-oh)  
I'm gonna rehydrate, while I dehydrate, you know  
Singing hey, let's party like we on vacation

Hey, let's party like we on vacation  
I got my toes up in the sand  
Cold one in my hand  
Toes up in the sand  
Cold one in my hand  
Singing hey, let's party like we on vacationSing it to me  
Hey, let's party like we on vacation  
Hey, party like we on vacation  
(Yeah dude, just party every time)
