

# I Love It

## Cheat Codes & DVBBS

Why do I push myself until I can't relax?  
Why do I smoke so much my lungs just might collapse?  
Why do I back away before I get a touch?  
Yeah, I'm always doing that Well, I've been drinking every night because I love it  
And I'm wearing off, why, because I love it  
And I'm spending all the money in the budget  
Oh, easy does it, oh yeah, oh yeah I've been drinking every night because I love it  
And I'm wearing off, why, because I love it  
And I'm spending all the money in the budget  
Oh, easy does it, oh yeah, oh yeah  
Why do I call you when I need some type of loving?  
Why do I feel the need to leave you like it's nothing?  
Why do I back away before I get a touch?  
Yeah, I'm always doing that, ooh Well, I've been drinking every night because I love it  
And I'm wearing off, why, because I love it  
And I'm spending all the money in the budget  
Oh, easy does it, oh yeah, oh yeah  
I've been drinking every night because I love it  
And I'm wearing off, why, because I love it  
And I'm spending all the money in the budget  
Oh, easy does it, oh yeah, oh yeah Because I love it, yeah
