

Sweet Creature

Harry Styles

Sweet creature
Had another talk about where it's going wrong
But we're still young
We don't know where we're going
But we know where we belong
No, we started
Two hearts in one home
It's hard when we argue
We're both stubborn, I know
Sweet creature, sweet creature
Wherever I go
You bring me home
Sweet creature, sweet creature
When I run out of rope
You bring me home
Sweet creature
We're running through the garden
Where nothing bothered us
But we're still young
I always think about you and how we don't speak enough
No, we started
Two hearts in one home
It's hard when we argue
We're both stubborn, I know
Sweet creature, sweet creature
Wherever I go
You bring me home
Sweet creature, sweet creature
When I run out of rope
You bring me home
I know when we started
Two hearts in one home
It gets harder when we argue
We're both stubborn, I know
Sweet creature, sweet creature
Wherever I go
You bring me home
Sweet creature, sweet creature
When I run out of rope
You bring me home
You bring me home
