

# Fancy Parody

## Bart Baker

[Verse 1: Bart Baker as Iggy Azalea, Students]

First thing's first, I'm a white chick (Wait, what?)  
The whole world was confused when they learned this (She's not black?)  
And I sound just like Nicki Minaj  
If she swallowed down testosterone pills mixed with hot sauce (True!)  
If you wanna get rap famous (Heh)  
Act dirty south and say "heh" like this (Heh)  
Parody a movie like Clueless  
And then shake your, abnormally large for white girls, hips (Hey!)  
You're a fake, give Nicki her goddamn style back!  
You look like Gwen Stefani had sex with Riff Raff!  
You be trippin', got that hood swag  
You're from Australia! Stop acting black!

[Chorus: Alex Farnham as Charli XCX, Fan]

No one knows me  
Just some random chick  
They found in the street  
To sing this obnoxious chorus  
My name's Charli  
No, I am not Lorde  
We just look the same  
I'm a huge fan of Royals  
I am not Lorde!

[Verse 2: Bart Baker as Iggy Azalea]

I said: make a music vid based on the film Clueless  
It's the most time I've spent in school, the truth is  
I am half retarded, high school I departed  
That's why my tweets are ignorant and racist garbage  
If you're Asian, fix your weird eyes  
Mexicans are dirty and wide  
And I swear I meant that they're so much  
I'm gonna tweet two more times  
If you don't speak English, eat shit  
All Black people get arrested  
Speaking of which I look like Marlon Wayans  
From the flick White Chicks  
Now, tell me who dat, who dat?  
That is half and half

From the waist up, I am white  
But from the ass down, I am black  
I be that I-C-C-Y, wrote it with a crayon  
I can't spell because my IQ is negative ten

[Chorus: Alex Farnham as Charli XCX, Sam Macaroni as Teacher]

Just like Iggy  
I'm stupid also  
Think there's a highway  
From L.A. to Tokyo  
There's an ocean  
Can you drive on it?  
You must be joking  
This is why they tell kids to go to college

[Post-Chorus: Bart Baker as Iggy Azalea, Sam Macaroni as Teacher]

Who-who-who-who dat? Who dat?  
I-G-G-Y - that is your name, spell that (I-E-G-I?)  
No! Spell that, spell that! (H-R-T-5?)  
Nooooooooooooooooo-o-o-o!  
Who-who-who-who dat? Who dat? (Albert Einstein!)  
Who dat? Who dat? (You're kidding me, right?)  
Who-who-who-who dat? Who dat?  
I told you three times  
How the hell are you so goddamn slow?

[Outro: Bart Baker as Iggy Azalea, Students, Alex Farnham as Charli XCX]

-AAAAAAAAAAAAAH!  
-What?!  
-Holy shit! Iggy Azalea's Nicki Minaj! Oh!
