

# Sunset over the Ganges

## Monsoon

The sun is sinking low in the sky  
The river now is still and sleeping  
My spiritâ€™...flowsâ€™...to you  
To keepâ€™...our secret a deep mystery  
The sunâ€™...is sinking low in the sky  
The river now is still and sleeping  
My spirit flows to you  
To keep our secret a deep mystery

An act of pure devotion, yeah, yeah  
Come emotion

The sun is sinking low in the sky  
The river now is still and sleeping  
My spirit flows to you  
To keep our secret a deep mystery  
The sun is sinking low in the sky  
The river now is still and sleeping  
My spirit flows to you  
To keep our secret a deep mystery

Drive in teardrop, cries  
I'd give my love to you  
An act of pure devotion, yeah, yeah  
You give up and the take up is the river of our make up  
Come emotion

The sun is sinking low in the sky
