

American Dream

Skizzy Mars

[Chorus]

They gon' let me in this club in these dirty vans
Clean money, I count stacks with these dirty hands
Do a show, copped a rack with my new advance
50 bands, 80, bands, 100 bands
I'm the American dream
We the American dream
New money, no class
Look at them

God damn girl you know I'm a savage

[Chorus]

They gon' let me in this club in these dirty vans
Clean money, I count stacks with these dirty hands
Do a show, copped a rack with my new advance
50 bands, 80, bands, 100 bands
I'm the American dream
We the American dream
New money, no class
Look at them

[Verse 2]

New money
