

# This Could Be Us

Rae Sremmurd

[Intro: Slim Jxmmi]

(Hey)

I heard it before

SremmLife!

(Hey)

(Eardrums)

SremmLife

(Mike WiLL Made-It)

(Hey, hey, hey)

[Verse 1: Slim Jxmmi]

I've done it before, I've seen it before

Tears splashin' the floor when I open the door for her

She actin' like a whore and I'ma let her

Learned from Project Pat, pimpin', got a Master's

Girl, improvise, look me in my eyes and lie to me

Lie to me, act like I'll believe anything

Sex on the beach and in the backseat

This could be us

[Chorus: Swae Lee & Jace]

So back to what I was saying

(Money make the world go 'round)

This could be us, but you're playing

(Money make your girl go down)

This could be us, but you're playing

(Money make the world go 'round)

I'm high, hope I don't sound crazy

(Money make your girl go down)

Fuck what them niggas was saying

(Money make the world go 'round)

This could be us, but you're playing

(Money make your girl go down)

This could be us, but you're playing

(Money make the world go 'round)

But shit, that's all I was saying

(Money make your girl go down and that's just how it go)

[Verse 2: Swae Lee]

No keys to crank this Mercedes

I ball like Tracy McGrady  
Before that girl touch anything  
She gotta say please (Say please)  
And I know they really wish we would ball 'til we fall  
I'm the big bad wolf, it's a full moon, y'all  
Toss the money in the air, girl  
Watch how your dreams hit the floor  
Wait 'til I get the buzz off this drug  
Damn, girl, you way too fine for a local club  
Killin' someone's vibe should be a fuckin' crime  
Wasted so much time, should be a fuckin' crime

[Chorus: Swae Lee & Jace]  
So back to what I was saying  
(Money make the world go 'round)  
This could be us, but you're playing  
(Money make your girl go down)  
This could be us, but you're playing  
(Money make the world go 'round)  
I'm high, hope I don't sound crazy  
(Money make your girl go down)  
Fuck what them niggas was saying  
(Money make the world go 'round)  
This could be us, but you're playing  
(Money make your girl go down)  
This could be us, but you're playing  
(Money make the world go 'round)  
But shit, that's all I was saying  
(Money make your girl go down and that's just how it go)

[Bridge: Swae Lee]  
Spin the bottle, spin the fuckin' bottle  
If you the reason why it's empty, baby  
Spin the bottle  
Truth or dare, nah, you don't want no problem  
Spin the bottle, spin the fuckin' bottle  
If you the reason why it's empty, spin the fuckin' bottle  
Truth or dare, no, no, you don't want no problem  
You don't want no problem, bitch, you must want problems

[Chorus: Swae Lee & Jace]  
So back to what I was saying  
(Money make the world go 'round)  
This could be us, but you're playing  
(Money make your girl go down)  
This could be us, but you're playing  
(Money make the world go 'round)  
I'm high, hope I don't sound crazy  
(Money make your girl go down)

Fuck what them niggas was saying  
(Money make the world go 'round)  
This could be us, but you're playing  
(Money make your girl go down)  
This could be us, but you're playing  
(Money make the world go 'round)  
But shit, that's all I was saying  
(Money make your girl go down and that's just how it go)
