[Intro]

La da la da da, la da da  
La da la da di da da, la da da da da  
La da la da da, la da da  
La da la da di da

[Chorus]

I got my head out the sunroof  
I'm blasting our favorite tunes  
I only got one thing on my mind  
You got me stuck on the thought of you  
You're making me feel brand new  
You're more than a sunshine in my eyes

[Verse]

You got those pretty eyes in your head, you know it  
You got me dancing in my bed, so let me show it  
You are exactly what I want, kinda cool and kinda not  
Wanna give myself to you

[Pre-Chorus]

Yeah, we're driving down the freeway at night  
I only got one thing in the back of my mind  
(You got me stuck on the thought of you)  
I'm feeling like this might be my time  
To shine with you, with you, with you

[Chorus]

I got my head out the sunroof  
I'm blasting our favorit? tunes  
I only got one thing on my mind  
You got me stuck on th? thought of you  
You're making me feel brand new  
You're more than a sunshine in my eyes

[Post-Chorus]

I got my head out the sunroof  
Oooh-woah, oooh-woah-oooh  
You got me stuck on the thought of you  
Oooh-woah, oooh-woah-oooh
