

# Legendary Lovers

Katy Perry

Under a silver moon, tropical temperature  
I feel my lotus bloom, come closer  
I want your energy, I want your aura  
You are my destiny, my mantra Never knew I could see something so clearly looking through  
my third eye  
Never knew karma could be so rewarding and bring me to your life  
Maybe this is the beginning of something so magical tonight Take me down to the river  
Underneath the blood orange sun  
Say my name like a scripture  
Keep my heart beating like a drum  
Legendary lovers, we could be legendary  
Legendary lovers, we should be legendary  
Go down in history  
Go down together, into infinity, forever  
You Cleopatra  
You blushing Juliet  
Anything for your love, a ride or die  
Never knew I could see something so clearly looking through my third eye  
Never knew karma could be so rewarding and bring me to your life Maybe this is the beginning  
of something so magical, tonight (oh, oh)  
Take me down to the river  
Underneath the blood orange sun Say my name like a scripture  
Keep my heart beating like a drum  
Legendary lovers, we could be legendary  
Legendary lovers, we should be legendary  
Take me down to the river  
Underneath the blood orange sun  
Say my name like a scripture  
Keep my heart beating like a drum  
Legendary lovers, we could be legendary  
Legendary lovers, we should be legendary  
Take me down to the river  
Underneath the blood orange sun  
Say my name like a scripture  
Keep my heart beating like a drum  
Legendary lovers, we could be legendary  
Legendary lovers, we should be legendary
