

# Have a Nice Day

## Bon Jovi

Why you wanna tell me how to live my life?  
Who are you to tell me if it's black or white?  
Mama, can you hear me? Try to understand  
Is innocence the difference between a boy and a man?  
My daddy lived a lie, it's just the price that he paid  
Sacrificed his life, just slavin' away Ooh, if there's one thing I hang onto  
That gets me through the night  
I ain't gonna do what I don't want to  
I'm gonna live my life Shining like a diamond, rolling with the dice  
Standing on the ledge, show the wind how to fly  
When the world gets in my face  
I say, have a nice day  
Have a nice day  
Take a look around you, nothing's what it seems  
We're living in the broken home of hopes and dreams  
Let me be the first to shake a helping hand  
Anybody brave enough to take a stand  
I knocked on every door down every dead end street  
Looking for forgiveness and what's left to believe? Ooh, if there's one thing I hang onto  
That gets me through the night  
I ain't gonna do what I don't want to  
I'm gonna live my life Shining like a diamond, rolling with the dice  
Standing on the ledge, and show the wind how to fly  
When the world gets in my face  
I say, have a nice day  
Have a nice day  
Ooh, if there's one thing I hang onto  
That gets me through the night  
I ain't gonna do what I don't want to  
I'm gonna live my life Shining like a diamond, rolling with the dice  
Standing on the ledge, and show the wind how to fly  
When the world gets in my face  
I say, have a nice day  
Have a nice day, have a nice day  
When the world keeps trying, to drag me down  
I've gotta raise my hands, gonna stand my ground  
I say, hey, have a nice day  
Have a nice day  
have a nice day
