

Sexy

The Black Eyed Peas

[Verse 1: will.i.am]

I took your picture, with one particular reason
And it's to capture your character
I like to sit and stare at 'cha
Ain't nothing wrong with starin' at 'cha
Girl, don't get scared that I envision us getting married
And I ain't tryin' to rush nuttin'
'Cause I ain't rushin'
It'll take a time like, "What's them things that move slow you know them...
Damn..I can't think 'cause you on my mind..."
And when you on my mind
Can't find anything to rhyme with rhyme
I'll gotta rhyme rhyme with mixture
And speakin' of mixture
With you, I wanna get mixed up
I'm like a record and you're like a record
So let's let the DJ mix us
You're like an elixir
That's got me tipsy
This is just like Ripley's
Believe it or not girl, but I love you...

[Chorus: will.i.am & (Fergie)]

Girl, you really got me goin'
(Outta control)
I don't know what I'm doin'
Let's let it go
And do what we do best
(Take off our clothes)
We look better undressed

[Bridge: will.i.am]

Let's get sexy
Let's get sexy
Sounds so good
Sounds so good
Fightin' is rightin'
Fightin' is rightin'
Let's get sexy
It's so much more exciting

Let's get sexy
Let's get sexy
Sounds so good
Sounds so good
Fightin' is rightin'
Fightin' is rightin'
Let's get sexy
It's so much more exciting

[Verse 2: will.i.am]
For you, I'm a fanatic
I'm a addict
You're sexy antics turn me on like automatic
No need to get dramatic, but I gotta have it
(Gimme gimme gimme gimme)
Gimme some of them sexual acrobatics
Pharmaceutical, girl, anything that suits you, girl
Stuff you ain't used to, girl
Come over here and let me show you just how willy do it
I'm a freak and u knew it
You're a freak and I knew it
Baby let's get to it

[Chorus: will.i.am & (Fergie)]
Girl, you really got me goin'
(Outta control)
I don't know what I'm doin'
Let's let it go
And do what we do best
(Take off our clothes)
We look better undressed

[Bridge: will.i.am]
S-E-X-X-X-X-X
(Yes, yes, yes)

[Verse 3: will.i.am]
You take me to ecstasy
Without takin' ecstasy
Its exactly like ecstasy
When you layin' right next to me
I'm sexin' you, sexin' you
You sexin' me, sexin' me
It's feels so damn natural
But we doin' so naturally
I'm likin' you rubbin' me
And u likin me rubbin' you
Da passions immaculate
While you lovin me lovin you

I love me puttin me in you
Make love to you
Just like SÃ©rgio Mendes plays the piano
