

# Release (feat. Justin Timberlake)

## Timbaland

Alright  
Hey  
Clap  
Oh  
I need you girl (Hey)  
I really need you  
I need you girl  
(Let me tell you something)  
I think am getting in charge (yeah)  
So feel the party codes (yeah)  
With all my Gs in the back (yeah)  
Who needs a bodyguard (yeah)  
I think I need to...  
Release  
I am out of control  
I'm out of body  
Release  
I am out of control  
Whose here to party  
Release  
I am out of control  
I'm out of body  
Release  
I am out of control I'm out of...(Oh, yeah)  
I push the party stars (yeah)  
They just can't even see me (yeah)  
We flame the party hard (yeah)  
I think I need to...  
Release  
I am out of control  
I'm out of body  
Release  
I am out of control  
Whose here to party  
Release  
I am out of control  
I'm out of body  
Release  
I am out of control Who holds the party strikes  
He keeps the party movin'  
The club is over packed  
Look this can't wait till dawn (Yeah)

We've got a video (yeah)  
I think we are late for our shoot (yeah)  
We had our video (yeah)  
Hey, these girls ain't cute (yeah)  
They want me to do my part (yeah)  
But first I gotta...Release  
I am out of control  
I'm out of body  
Release  
I am out of control  
Whose here to party  
Release  
I am out of control  
I'm out of body  
Release  
I am out of control
