

# Seven Sticks of Dynamite

## AWOLNATION

Who wants to dance, who wants to slow dance  
Whit that rabbit down the hole rabbit down the hole  
I want a chance I want to slow dance  
And trap that rabbit down the hole rabbit down the hole  
Lipstick like dynamite, seven sticks of dynamite  
Lipstick like dynamite  
Lipstick like dynamite, seven sticks of dynamite  
Lipstick Like dynamite (dynamite)  
Ooh ooh oh oh oh ooohh  
Who wants to dance, who wants to slow dance  
To that racket down the hall that racket down the hall  
Woo I want to dance I want to slow dance  
And trap that racket down the hall racket down the hole  
Lipstick like dynamite, seven sticks of dynamite  
Lipstick like dynamite (dynamite)  
Lipstick like dynamite, seven sticks of dynamite  
Lipstick like dynamite (dynamite)  
COME ON!!!  
(choir harmonizing)  
Seven sticks of dynamite, Fuse the morning fuse the night  
Seven sticks of dynamite, Fuse the morning fuse the night  
Seven sticks of dynamite, Fuse the morning fuse the night  
Seven sticks of dynamite, Fuse the morning fuse the night  
Seven sticks of dynamite, Fuse the morning fuse the night  
Seven sticks of dynamite, Fuse the morning fuse the night  
Fuse the morning fuse the night  
Fuse the morning fuse the night  
Fuse the morning fuse the night  
Give me seven sticks of dynamite  
(the best song ever)
